What is NSDC?

The National Skill Development Corporation (NSDC) is a one-of its-kind, Public Private Partnership (PPP) model in India, under the Ministry of Skill Development & Entrepreneurship (MSDE). It aims to promote skill development by catalyzing creation of large, quality and for-profit vocational institutions. Source :

<https://www.nsdcindia.org/New/nsdc-profile>

What is NSQF?

The National Skills Qualifications Framework (NSQF) is a competency-based framework that organizes all qualifications according to a series of levels of knowledge, skills and aptitude. These levels, graded from one to ten, are defined in terms of learning outcomes which the learner must possess regardless of whether they are obtained through formal, non-formal or informal learning. Source : <https://www.skilldevelopment.gov.in/nsqf.html>

Whether the above courses are aligned with NSQF?

Yes, all the Courses of Healthcare, Pharma, Beauty & Wellness Sector are aligned with relevant NSQF, incase of non availability of qualification Pack, Exception is used.

What is Skill India?

The Ministry is responsible for co-ordination of all skill development efforts across the country, removal of disconnect between demand and supply of skilled manpower, building the vocational and technical training framework, skill up-gradation, building of new skills, and innovative thinking not only for existing jobs but also jobs that are to be created.

Source : <https://www.skilldevelopment.gov.in/>

From where the above course is approved?

These courses comes under category of NSDC (National Skill Development Corporation) approved Courses and these courses (Fee based) & are not affiliated by any constitutional such as Medical.

From where I will get the certification?

The process of Certification & Assessment is done by independent assessment body, which is approved by DGT (Director General of Training) Ministry of Skill Development & Entrepreneurship.

Can Apply for State or Central Govt. Jobs?

You would appreciate the fact that the government job openings have their own minimum eligibility criteria which may differ from one job to another. Students meeting those requirements will be able to apply for central/state government jobs.

Source : Mail from NSDC Monitoring Team <Monitoring@nsdcindia.org>Thu, Nov 26, 2015 at 4:36 PM

What is the process of Registration of Certificate in State Council.?

The certificate which is provided by Assessment body comes with a unique Certification Number & Unique NSDC Candidate ID, there is no further need of registration of the certificate in any council of state or central government body/ies.

What is the Duration of the Course & the Fee?

However as Intense Study Program the same Courses are designed for 2 Term to ensure intense education and practicals.

Can I apply for the courses if I am already working somewhere?

Yes, NSDC has provided Up Skilling facilities for all those students who are already working somewhere. students are requested to attend full day special classes on weekends to cover up the prescribed course duration.

How OJT (One Job Training) can benefit us?

After the successful completion of courses, students will have to attend OJT in various Hospital, Labs, and Institution or in various other work places where they will get actual field exposure & experiences in accordance to their relevant sector.

Why Intense Study Program (ISP) Students Centric?

Intense study program is an initiative for students those who want to pursue their careers in the Healthcare Industry, the ISP will provide students with an opportunity to dive in the course, curriculum and to gain theoretical and Practical knowledge of the desired course, while focusing immensely on the practicality of job role in depth. The enhancement in course duration would immensely affect opportunity for students to cope up with industry demand and National Skill Qualification Framework (NSQF) based course curriculum will affect the overall knowledge and core competency in respective field.

The ISP provides students with increase in time duration of their courses, which will permits an individual to gain knowledge of respective course in depth and therefore eventually increase demand and opportunity for their endeavors in Healthcare Industry.

This Program equips the students with skills to Practice as Healthcare Professionals in Healthcare & Nursing Sector. The student turn out ready for careers in the renowned Hospital, diagnostics centers, Pathology Labs and also in academics.

Why Intense Study Program (ISP) Industry Centric?

In the post-globalization period, there is a huge requirement of skilled man power in the field of healthcare & Nursing, Individual having degree to cater the needs of Healthcare Industry Demand and have indulged him/herself in longer duration of academic knowledge will get huge preference and weight age in regards to job opportunity as professionally.

Further, the manpower, which is already employed in Healthcare Industry will also hasan opportunity to enhance their knowledge by up skilling through ISP, which will create huge impact to bridge the gap as the technology advances so does the technicality of jobs in respective fields.

The aim of the ISP is to equip students from various background and streams with the knowledge regarding the fundamental disciplines of Healthcare: to provide students with the theoretical frameworks and analytical knowledge necessary for modern healthcare industry.
